About Me

Enthusiastic and dedicated graduate seeking a Frontend Developer position to leverage strong problem-solving skills and a solid foundation in web development, with a passion for creating engaging user experiences.

Professional Experience

Affinity Express Pune | Jr Paginator

Feb 2023– June 2024

Key responsibilities:

- **Pagination Process:** Efficiently paginate documents or content according to specified guidelines. Ensure accurate sequencing and placement of elements for a seamless reading experience
- **Quality Control:** Conduct thorough quality checks to verify pagination accuracy and identify and resolve any errors.
- **Communication:** Effectively communicate pagination-related information to team members and stakeholders. Address queries and provide guidance on pagination standards and practices.
- **Software Proficiency:** Utilize pagination software and tools to streamline the pagination process. Stay updated on industry-standard pagination software and adapt to new tools if necessary
